Assistant Chief of Police Tucker is after the small boy with the sling shot and when he catches a bunch of them is going to do things with them. WITH THE POLITICIANS.

M. E. Clark and J. C. Moore are here today from Duncan. These gentlemen are out in the interest of John Fields for governor, and were in conference with local republicans. Mr. Clark said he had been all over the western portion of the state recently and from the best information he could gather, the democratic nomination was likely to go to any one of the leading candidates.

Edwin A. Ellinghausen, an attorney of Hugo, is here today in the interest of Judge Summers Hardy for associate justice. He feels that Judge Hardy will get a good majority in Carter county. He will go from here tomorrow to Love county. Judge Hardy has as his opponent Judge Rainey of Atoka who is also making an active campaign and this race will be a very interesting one.
